Hi Everyone,

Attached please find the notes from the last meeting. If anyone believes we have missed anything glaring, please feel free to let John and I know.

As you will see in the notes, we are also circulating the comments by attendees of the Spring Conference regarding the program. (Note: Denise had requested comments about the venue and the program. The comments about the venue and program are therefore complied in one place.) Please see attached.

John and I are forward to meeting with you all over the next few months in the communities which we are aware of having Human Right's Commissions, with the ultimate goal of preparing a report to the MMMA on our findings from this year's work.

Sincerely,

Nina

Hi Denise and Adam,

John and I are planning to send out the below email, but wanted to check to see if you both had made contact with Westborough, Needham, and Cambridge first. Please advise.

Also, please feel free to comment on the notes, if you see anything needing correction/addition.

Thanks,

Nina

Dave & Naomi,

Thank you for organizing this great event and thank you for inviting me as well. Unfortunately, I won't be able to attend as I will be out of town that weekend.

Best of luck with the event and thank you for all the work that you do on behalf of the Town.
